

# TONKS 2000 LIMITED

## Data Protection & Privacy Policy Statement

Tonks 2000 Limited (the Company's) has a commitment to data protection. It is the policy of the Company to ensure that we treat personal information lawfully and correctly in order to:

- Maintain the trust and confidence of those with whom it does business
- Meet the Company's contractual, legal and regulatory obligations and in particular the protection of the rights of data subjects in respect of their personal data under EU Regulation 2016/679 the General Data Protection Regulation ("GDPR")

For the purposes of Data Protection "personal data" is any information relating to an identified or identifiable natural person (a "data subject"); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier, or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person.

The Company recognizes its obligations regarding the collection, processing, transfer, storage, and disposal of personal data. The procedures and principles set out herein must be followed at all times by the Company, its employees, agents, contractors, or other parties working on behalf of the Company.

Data Protection shall be treated as an integral part of management activities and will be pursued in the same manner and with the same vigor as other management objectives.

It is the Company's policy to fully ensure compliance with the GDPR.
